FINDINGS

FINDINGS

A. This facility is a Class II-2 sanitary landfill. The area method of operation is utilized. The facility is located at 28th and 'A' Streets, Sacramento, California. On 79.28 acres of land, the projected life of the site is 3½ years from June, 1980. Wastes received at this facility are of Group 2 and 3 classification. This includes:

- Household garbage
- Office wastes
- Garden refuse
- Construction/demolition wastes
- Vegetal rubbish
- Medically infectious wastes
- Restaurant wastes

The daily average tonnage of wastes received is 600 tons based on 5½ days of operation per week. Hazardous wastes, liquid wastes, and sludge are not accepted at this site.

The site is open from 5:30 A.M. until 4:00 P.M., Monday through Friday; 5:30 A.M. to 2:30 P.M., Saturday. Disposal operations are conducted from 6:00 A.M. to 2:00 P.M. Saturdays. The site is closed on Sundays. The landfill is not open to the general public. Additional information concerning the facility's design and operation is included in the Report of Disposal Site Information; that which pertains to the period immediately prior to December 23, 1977 and the addendum of June 1982 on the vegetal waste processing facility is hereby made a part of this finding.

This permit is granted solely to the operator named above, and is not transferable. Upon a change of operator, this permit is subject to revocation. Upon a significant change in design or operation from that described in this permit or in attachments thereto for the existing design and operation of a facility operating immediately prior to August 15, 1977, or from the approved intended design and operation of a facility which was not operating prior to August 15, 1977, or which herein is granted a permit modification, this permit is subject to revocation, suspension, modification or other appropriate action.

This permit does not authorize the operation of any facility contrary to the State Minimum Standards for Solid Waste Handling and Disposal. This permit cannot be considered as permission to violate existing laws, ordinances, regulations, or statutes of other government agencies.
